- DEFENDER CONTAINS A MINIMUM OF 45% RECYCLED CONTENT

UL.COM/ECV

UL 2809-2

We're proud that certain products have earned an Environmental Claim Validation for Recycled Content from UL, one of the most respected third-party testing and validation bodies. UL uses rigorous, scientific analysis to evaluate the accuracy of manufacturers' sustainability claims. Furthermore, products bearing a UL ECV Mark undergo routine audits and testing in order to retain their status, further providing peace of mind to our customers.

Whenever you see a UL badge next to one of our products in this document, you can be confident that the product has been evaluated by UL and meets the applicable validation requirements for recycled content. To learn more about this go to ul.com/ecv
